On the top floor of the Indigo building, lapping up 180 degree North/Easterly views, awaits a must see apartment.

Floor to ceiling double glazed windows allow plenty of natural light, while 5th floor, corner positioning ensures privacy.

All the bells and whistles are accounted for, including split system AC, open plan living, built in mirrored robes and a large kitchen with plenty of cupboard space and a breakfast bar. But what really sets this home apart from others is the expansive balcony. Rarely does apartment living provide such a fantastic outdoor space, and rest assured, the photos don't exaggerate.

Situated on the quiet side of the building in a sought after
