## 10 Holland Street Macgregor ACT

3 1 2

Positioned on a peaceful loop street siding reserve sits this quality three-bedroom home perfect for the first home buyer. Upon arrival, you're struck by the homes commanding street presence where it sits tall and proud on the high side of the street.

Step inside to see a freshly updated family residence with a charming split-level design. Timber floors flow through the lounge and dining rooms leading to the updated kitchen with electric cooking. All three bedrooms are large and have been recently freshened up with new carpet while the bathroom, toilet and laundry are all separate. Climate controlled living is assured with gas heating and reverse cycle air conditioning and cars remain secure in the double lock up garage.

Outside, kids and pets are sure to be delighted with a large
