Spread over two levels, the clever design embraces practicality for the growing family. A luxurious sense of space is created from the moment you enter the residence, achieved through the use of high ceilings and extensive glass throughout, including highlight windows. Upon entry, spotted gum timber floors flow throughout and lead to the sunken family and meals area, overlooked on by the designer kitchen. Superbly appointed, the kitchen showcases Smeg appliances, Carrera marble benchtop and an expansive walk-in-pantry. A highlight window has
