Located in the popular suburb of Dunlop, is this ideally placed 3 bedroom home. Meticulously maintained, this home is perfectly suited for first home buyers, downsizers, and investors alike.

With a great open-plan design, this home is both spacious and sun-filled. The generous kitchen and dining room opens to a private internal courtyard. Each of the three bedrooms are spacious and have built-in robes.

The front courtyard comes with a vegetable garden and established trees. The courtyard is secure and allows easy access to public transport. The home is only moments away from Woolworths, and there are numerous walking trails, including the Bicentennial National Trail and
