

CARTER + CO

7/29 Bott Cres Casey ACT

4 2 2

The elevated position of this home ensures it's new occupants uninterrupted views across Gungahlin from the upper levels. Large windows provide natural light throughout the home, and the multi-level floor plan offers a range of living options.

This home is also the only in the complex that is completely detached from it's neighbours, so although it's technically a townhouse, it's design is that of a separate home.

Features include:

- Double garage with internal access
- Ducted AC
- 4 bedrooms, 3 with built in wardrobes
- Large landing to top floor to use as second living space/study area or kids play area
